***In Search of Heaven on Earth  
in Kentucky***  
*a photographic documentary  
of the independent  
Christian churches in Kentucky*

This 552-page 'coffee-table-quality' book documents over 450 sites across Kentucky, with a brief documentary of their simple plea for Christian unity. The rich involvement that Kentucky has played in the development and heritage of the Restoration Movement is evident in the pages of narrative.

This collector's edition commemorates the bicentennial of a movement to restore the church as it was established in the first century—a bicentennial of the declaration at Cane Ridge, Kentucky on June 28, 1804, "We will, that the people henceforth take the Bible as the only sure guide to heaven..."
